Presenter

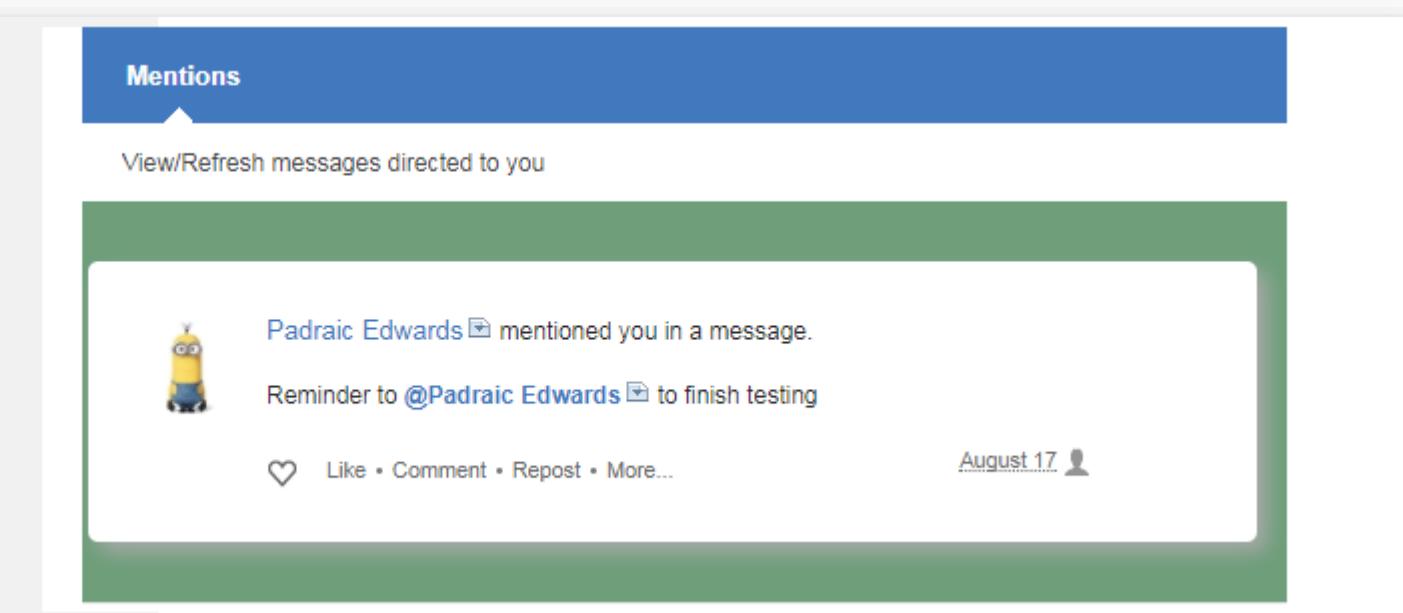

Brian Gleeson – IBM Ireland
Software Engineer – ICS App Dev

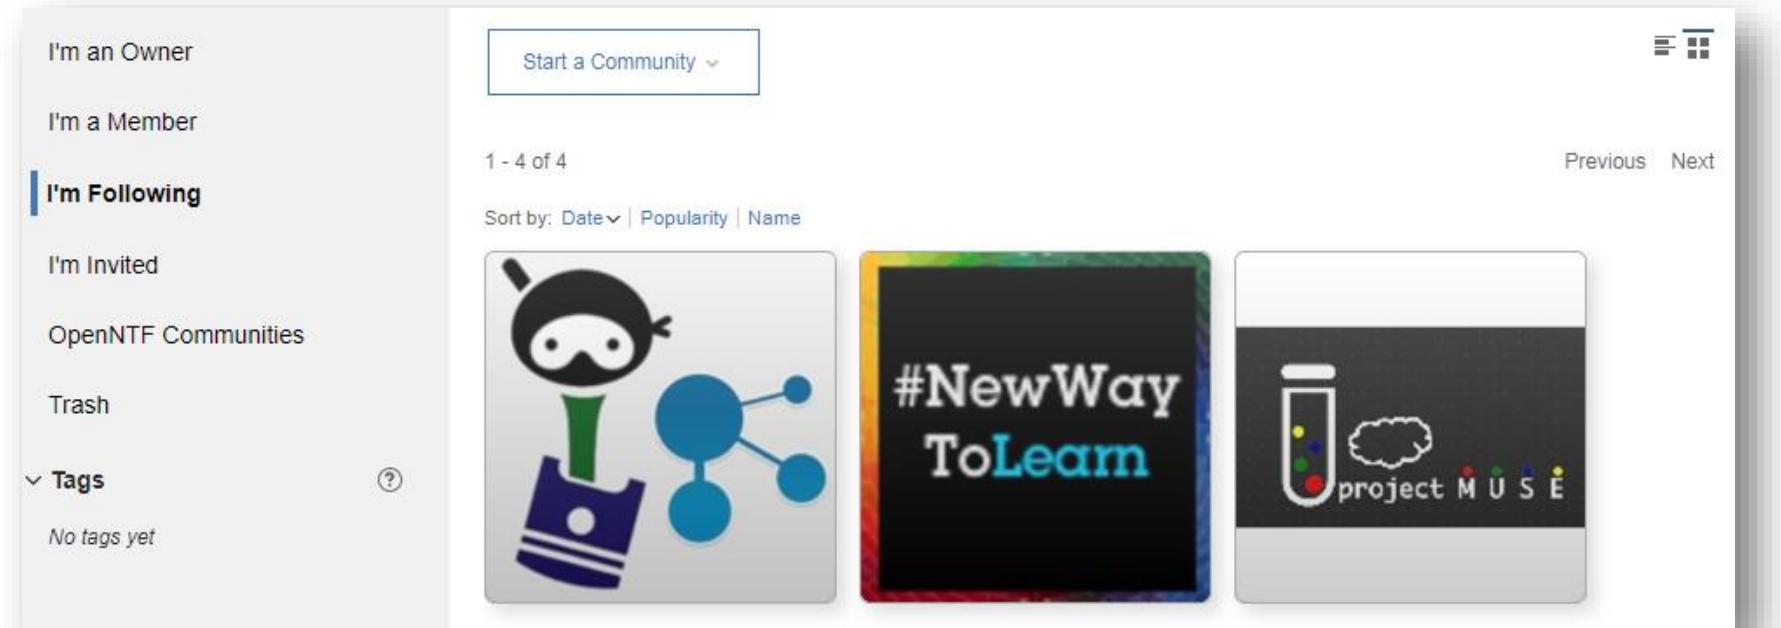

Customize Connections Your Way

This screenshot shows a user profile page for 'Martin Donnelly'. At the top, there's a navigation bar with links for OpenNTF, Home, People, Communities, Files, More, Admin, and various notifications. Below the navigation is a banner with a 'WEBINAR' theme featuring a video camera icon. The main area displays a circular profile picture of a Minion, with the name 'Martin Donnelly' next to it. Below the name are three buttons: 'Edit My Profile', 'Send Email', and 'Download vCard'. A timestamp 'Local Time: 2:02 PM' is also present.

This screenshot shows the 'Mentions' section of the application. It features a blue header bar with the word 'Mentions'. Below it, a message from 'Padraic Edwards' is displayed, stating: 'Padraic Edwards mentioned you in a message. Reminder to @Padraic Edwards to finish testing'. The message includes a small Minion icon, a 'Like' button, and a timestamp 'August 17'. On the left side of this panel, there's a sidebar with links for 'Updates', 'Mentions' (which is currently selected), 'My Notifications', 'Action Required', and 'Saved'.

This screenshot shows a community feed and search interface. On the left, there's a sidebar with links for 'I'm an Owner', 'I'm a Member', 'I'm Following' (which is selected), 'I'm Invited', 'OpenNTF Communities', 'Trash', and 'Tags'. Under 'Tags', it says 'No tags yet'. To the right of the sidebar, there's a search bar with the placeholder 'Start a Community'. Below the search bar, it says '1 - 4 of 4' and 'Sort by: Date | Popularity | Name'. Three community cards are shown: one with a robot icon and the text '#NewWay ToLearn', another with a test tube icon and the text 'project M U S E', and a third partially visible card.
